The Lisa cannot place "Getting Started " on "LisaWrite 1 - 3.1" because either there is not enough room or there are too many documents on the disk.

You can make more room on "LisaWrite 1 - 3.1" by discarding some old, outdated documents or by moving some documents to another disk.

Refer to the Lisa Office System manual, Appendix A, Office System Error Messages, under Insufficient Room on Disk.

Getting Started

Desk File/Print Edit Housekeeping

LisaTerminal

This tool is used to create and edit documents. To use the tool, tear off a piece of LisaTerminal stationery and open it.
